

Welcome to Season 6 of Kids in the Kitchen at Hy-Vee Asbury Plaza

We begin shooting the sixth season of Kids in the Kitchen on January 13th. Our production team, comprised of Gary Olsen, Dubuque Schools, Megan Horstman, Dietician, Hy-Vee Foods, Asbury Plaza, are excited about including you in this season's shows.

What we look for...

Here's what we were looking for in a student: Good grades, an engaging personality, and comfort interacting with adults. We are not looking for perceptible talent for television, nor do we require students know anything about cooking. We prefer they just want to learn and are enthusiastic about the possibilities of being on a television show. Students with performing experience are always good choices, obviously, and some of these students have been in school productions, perform in school music ensembles, and even participate in their school's televised announcements that are broadcast each morning at the start of school.

Kids in the Kitchen is now seen state-wide throughout Iowa on Mediacom Cable's statewide subscriber network. We have all sorts of fans. You can join the Audience any time you wish. Just come back to the Hy-Vee clubroom on production days and join us.

Production Days:

We start production at Hy-Vee Asbury at 8:30 AM usually on Thursdays (see the schedule at right). Since we have a permanent set, shooting will stay within a strict-two and-a-half hour period. Students will be ready to return to school by 11 AM.

The Schedule:

Our master schedule is above, and it consists of shows taped from January 13 through March. There will likely be changes due to school cancellations caused by weather. In which case, we add shooting days on the end of the schedule. You are advised to mark this page as a favorite and continually check to make sure we are on schedule and you'll want to look for additional shooting days.

Transportation, Rights and Permissions:

Each school is responsible for transporting their kids to and from the set, and proper permission forms must be completed and signed by parents allowing students to participate and permission granted to the school district for the use of each student's image and performance. You can consult the Parent/Student Handbook, pages 34 through 36 for specific policy language regarding your legal rights.
